

# UAMN FAMILY PROGRAMS

## March's theme is the Sun!

### Virtual Early Explorers: Sun

Friday, March 19 and ongoing online

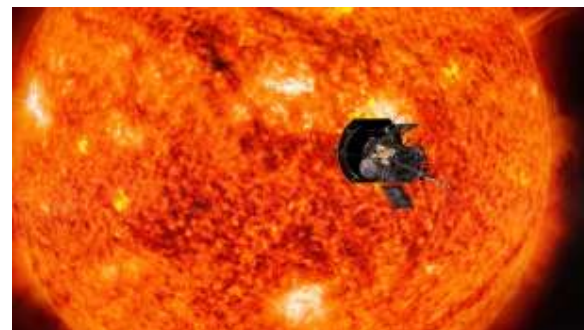

Create and discover with your toddler or preschooler. Explore at home and share your discoveries with us. Hands-on activities will be made available online starting March 19 and will remain available.

### Virtual Junior Curators: Sun

Saturday, March 20

Discover Earth's closest star! Register in advance (children 6 and older) to receive activity supplies and to meet online with a museum educator. At-home activities will also be freely available online.

### Virtual Family Day: Sun

Saturday, March 27 and ongoing online

Discover together at home! Activities are designed for all ages. Explore how the Sun affects Earth, investigate how scientists study the Sun from far away, and make your own art using sunlight! Hands-on activities and videos will be posted online on the Family Days page. [bit.ly/uamnfamilysdays](http://bit.ly/uamnfamilysdays)

*Museum Family Days are proudly presented by TOTE.*
