**Special Olympics**  
**3200 Mountain View Dr,**

**Hoop Camp is a “unified” & inclusive basketball camp catering to ALL adults and children with special needs!** Our camps are “unified” so children, friends and family without special needs are also encouraged to attend. Everyone plays together with campers at their own age, ability, and skill level. Our younger, smaller campers play modified games and contests on lowered baskets so everyone can enjoy success! The day is packed with top-notch instruction, thrilling individual and team contests, and nail-biting 5-on-5 games. All Campers will get a camp T-shirt, ball, pictures, and gift bag on the last day of camp. Trophies and other prizes will also be handed out daily to campers who win “Camper of the Day” awards!
